

## 06 S2 RUNWAY SHOW

The theme of Chrissie Catling's winter collection launch in the laneway adjacent to her North Perth boutique, S2, was dark and moody. Models paraded luxuriously draped dresses, lightweight winter coats and sexy leather leggings. The palette was predominantly black, navy and grey, with wonderful vampish hair and make-up created by Bobby Busic. The parade showcased Catling's own S2 signature label, as well as pieces from Alistair Trung, Lui Hon, Sa Dot Na, Eva Kecseti and Coffa accessories. Guests included Glen Trevaskis, Monika Andreev, Rebecca Barber, Katie Sandri, Fiona Fullerton and Sylvia Giacci.
