S2 wishes to share this story with you - Yohji's love of black.

'Yohji Yamamoto: This Is My Dream'

Director Theo Stanley's fascinating, short documentary on the life, times and work of Japanese fashion designer Yohji Yamamoto <http://vimeo.com/24242193>

Lui Hon

"I was raised by strong women, whose tenacity, courage and inner strength continue to inspire the type of muse I design for." Lui Hon

LUI HON SPRING/SUMMER 2012 is structurally strong, technically faultless with its textually intriguing designs that bring out the beauty of the feminine combining strength and masculinity with functional elegance.

Danjyo-Hiyoji

New to S2. Danjyo-Hiyoji - A three man design team who seek inspiration from youth spirit, exploring individuality and modernity, creating chic and flattering collections which ooze confidence and style.

A great fit for S2 clients with its unique aesthetic.

Fetch Bags

New in-store. French design label FETCH - quietly sophisticated, these gorgeous bags with their distinctive striped handles, are recognised around the world for their design and craftsmanship. The perfect new accessory to your Spring/Summer wardrobe!

SomeAreThieves

SomeAreThieves is a hi-end conceptual footwear brand designed and produced by a team of Italian nationals.

"Regeneration in Disguise" Spring/Summer 2012 Collection where deep dye treatments are the method our "thief" adopts to disguise her old, repaired, talisman sneakers and to blend with the grounds and with the city neon lights, mirrored on the wet asphalt after a brief summer storm.

"The concrete jungle animal, our consumer the "thief", is not walking, she's gliding-sliding-drifting-jerking-swerving..."

ISSON Eyewear

Welcome to the latest collection from Australian avant-garde eyewear designers ISSON, where 1920's Weimar Germany meets the future. This season's styles feature vintage Italian and Japanese acetates, in pearlescent light reflecting finishes such as tortoiseshell, fleckle, rocks and layered acetates, which house silk threads and metal shavings.

"Each piece requires its own set of rules." Federici

Johnny Ramli

An S2 favourite - Johnny Ramli is a unique mix of oxidised silver and precious stones, refined Asian styling, spiritual meaning and a western fashion touch.

"Each necklace has a different meaning and value - That's why you feel that each piece is unique and specially made for you." Global Fashion

Jolly - ITALY

Venetian glass from the island of Venice. Jolly designers Monica and Stephano have a small team creating easy to wear pieces of art as Venetians have done for centuries. These exquisite pieces of jewellery are all handmade from glass and stainless steel.

This marine/grey sky coloured glass is perfect for wearing during our long, hot summer days!

Staff Profile - Sonja

Sonja! This West Australian-born free spirit has a passion for life and an eye for detail.

Having spent the past five years in London, Sonja has returned home to Perth motivated by her desire to study Events Management.

Mainly found back-of-house, Sonja joined our S2 team prior to the lead up of our stand-alone show at Perth Fashion Festival. With unstoppable energy and drive, Sonja keenly assists in all areas from events and production to client styling.
