

SIMPLY S2 If you haven't made a visit to S2 yet, you must. No one drapes like designer Chrissie Catling and now there's another store to explore. She launched her first boutique in North Perth in 2007 and has now opened the doors of her beautiful Mosman Park store in Glyde St. Leave plenty of time, because there's a lot to see and you'll probably love it all.

The signature S2 look is cool simplicity with lightweight fabrics with a minimalist touch.

The store also carries Australian labels Lui Hon and Alistair Trung, handmade accessories by Mercurialist, signature scents from Antica Farmacista, artwork from Guy Matthews and a range of lotions and creams from manicurist Sarah Priddy.
