Top shows

The WA Designer Collections showcase blew everyone away with the strongest representation of WA talent ever seen at PFF. Thirteen labels from the emerging to the most experienced designers provided a beautiful showing of resort, ready-to-wear and accessories. Ae'lkemi's **Alvin Fernandez** entered new territory with his formidable Jungle Fever collection of eveningwear, and **Chrissie Catling's S2** provided a dark, dreamy end to the shows at Hackett Hall.

Goody goodie

Forget dinner – fashionistas feasted on 21,600 Baci chocolates over seven days. They were the sweet surprises in many of the best goodie bags. **Aurelio Costarella's** VIP launch bag was memorable with jewellery, chocolate and cosmetics. S2 included bath salts, Bhalo offered beautifully embroidered handkerchiefs and **Christine Tang's** loaded bags included La Prairie face cream and a gorgeous cotton dress from her label.
