

FASHIONISTA FORUM

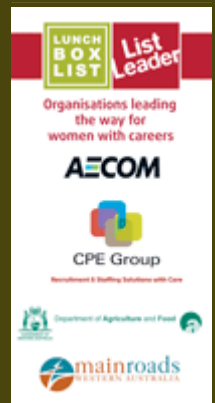

Fashion design, retail, marketing, promotions, environmentalism, management - this trio have done it - and will tell all about the trials and tribulations of working in the fickle and fabulous world of fashion.

Be first in, best dressed at this LunchBox List® favourite on Friday 10 September showcasing three amazing women in the WA fashion industry:

Liz Davenport celebrates 35 years in the fashion industry previously named Australia's top fashion designer and recipient of the Grand Award from the Fashion Industry of Australia. Liz continues to be one of Australia's most successful fashion designers and business women. Eleven stores nationwide with plans to expand operations into Hong Kong and New York, Liz designs intelligent clothes for intelligent women. Breaking the barrier of 'fashion designer', Liz is a staunch environmentalist, passionate to stop logging of old growth forests in south-west WA, and an advocate for climate change and endangered species.

Chrissie Catling is designer and retailer of well-known Australian brand S2. The Perth based creative has been designing for six years and recognised as one of WA's best. Studying interior design initially, it wasn't until her thirties Chrissie found her passion was fashion design. S2 has two locations - North Perth and Mosman Park - and her clothing wholesaled Australia-wide, expansion into overseas and other markets also on the cards.

Tanya Muia is WA manager of Australia's premier model

agency, Chadwick Models in Perth having been in the fashion and modeling industry for over 10 years. From model management, international placement, corporate imaging, choreography, marketing and event production, plus a diploma in Broadcasting at WAAPA, Tanya has some great tales to tell.

Win Win Win. Kailis Jewellery providing a fantastic \$500 gift voucher up for grabs for one lucky attendee, not to mention a showcase of their beautiful jewels at the event for you to browse, try or buy!!!!

Be sure not to miss out on this ever-popular fashion lunch – book below.
